

# **ATTENTION NEW AND RETURNING STUDENTS/FAMILIES**

## **Records – Students New to St. John School**

We expect a large number of new applicants during the course of registration.

It would be helpful if you would include PHOTOCOPIES of report cards for the last two years and all testing data you may have for your child (especially in grades 1-8). We do not expect official transcripts at this time. These records will aid us in knowing more about your child. Additional inclusions such as representative work samples are also of great help.

## **Birth Certificate Requirement**

Students new to St. John School as of 2012/2013 are required to submit copies of birth certificates.

Please include a copy of your child's birth certificate with your other forms at your facilitation meeting. Registration will not be finalized without a copy of the child's birth certificate.

## **Baptismal Certificate Requirement**

Students new to St. John School as of 2012/2013 are required to submit copies of baptismal certificates if they are baptized Catholics.

Please include a copy of your child's baptismal certificate with your other forms at your facilitation meeting. Registration will not be finalized without a copy of the child's baptismal certificate.

## **Parenting Plan Requirement**

Archdiocesan policy requires that parents provide the school with parenting plans when applicable.

Parenting plans must be submitted to the school office by August 20, 2012.
